President's Report

On behalf of South Melbourne Hellas I would like to welcome the players, committee and supporters of Footscray J.U.S.T. Our two clubs have always enjoyed a fine relationship on and off the field, which I hope will endure for many more years to come.

Today I'm sure we will see an entertaining game, considering the talent in both our teams this match should provide any keen supporter with a pleasant afternoon.

Last week saw another fine win to Hellas for which all at the club should be commended. We have now moved into second position and with a little more hard work could see ourselves in the top five with a an opportunity for the championship. I would also like to wish George Kalogeros a happy Birthday from all associated with the club and wish both teams all the best for today.

from Bill Georgiou
